Extension Bundle for Asset Management & Field Services

Extension Bundle for Asset Management & Field Services

is the optimal complement to the Matrix42 Asset Management module. The 4 included extensions help automate processes and facilitate day-to-day business in asset management and field service.

Description

Extension Bundle for Asset Management & Field Services

is the optimal complement to the Matrix42 Asset Management module.

With the Extension Bundle for Asset Management & Field Services, you receive practical extensions that digitise processes, e.g. in device management, and make them more efficient.

Benefit from 4 extensions and save significantly compared to the individual products.

The following extensions integrated in the bundle help to automate processes, avoid errors and are fun to use!

**Extension Bundle for
Asset Management
& Field Services**

- Scanning: [Barcode Scanner](#), QR Code Scanner
- Label printing: [Remote Label Print](#)
- Digital signing: [Signature Control](#)
- Create files and send them by e-mail: [Report2File](#)

Would you like to map a field service process tailored to your company with Matrix42?

Find out more about the Labtagon best practice solution [Asset Handover and Inventory](#).

!

We offer a combination of a customised setup/mapping of a use case "Asset Handover and Inventory" and the integration of the Extension Bundle for Matrix42.
