

MATRIX42 MARKETPLACE PRODUCTS

Instant Edit

With Labtagon Instant Edit, you can make changes to fields directly from the preview dialog without any detours. you know how it is. Just make a small change here, an addition here.

Description

With Labtagon Instant Edit, you can make changes to fields directly from the preview dialog without any detours. you know how it is. Just make a small change here, an addition here. These many "little things" are time-consuming and cumbersome.

From now on, it's much easier. Save a lot of time with Instant Edit, which the small changes you need to make over and over again cost you day after day.

Instant Edit

Features

- Direct editing of objects from the preview dialog.
- Support for a wide range of data types.
- Extremely easy to configure.

The advantages at glance

- Editing becomes uncomplicated and fast. This means that the many changes that occur every day can be made with just a few clicks.
- Similar to a simple writing program, you can simply click where you want to make changes.
