PRODUITS MATRIX42 MARKETPLACE

QR Code Module

Inventory and manage your assets with the help of the QR Code Module from mod IT Services GmbH.

Description

The QR Code Module of mod IT Service GmbH offers you the possibility to **create**, **print** and **manage** QR Codes.

With the purchase of this product you also receive predefined wizards, actions and a new QR Code class including report.

- **Scanning** of QR Codes and determination of related information
- **Create assets** after you have scanned in a QR Code
- **Assignment** of QR Codes to an Asset

The QR Code module integrates with any part of the Matrix42 ESM solution to support your processes the way you need them.
